

Host a party & you'll **ALWAYS** receive

FREE LINEN

Two years ago I purchased sheets from Lorraine Lea. They have been washed at least weekly and still look great. I was so impressed with the quality that I decided to host a party and get more Lorraine Lea linen for my home. It was also a great excuse to get the girls around for a catch-up. They loved the designs and everyone found something they had to have! I ended up having a Lorraine Lea WOW party (over \$1,000 in sales and 2 bookings) so I received this beautiful new quilt cover design, complete with all the accessories and sheets, for a fraction of the retail price. Instead of paying \$429, I paid only \$140, that's a third of the price. WOW* – it really is the smartest way to buy my linen.
